Adam Schiff needs not only to recuse himself from the Trump Inquisition, but resign as well

REPORT: Rep. Adam Schiff Linked to Prominent Ukrainian Arms Dealer!

Now we know why Schiff is lying – he's connected with a Ukrainian Arms Dealer!
In 2013 Ukrainian Igor Pasternak held two different fund raisers for Schiff asking for contributions between $1,000 and $2,500 –

Pasternak was reportedly in and around the Ukraine at the same time that Vice President Joe Biden had his son appointed to the Board of the Ukraine's largest oil and gas producer –

Pasternak, who was raised and educated in Ukraine before immigrating to the United States, is a passionate promoter of Ukrainian culture and business. He has been active in both Los Angeles and Washington, D.C. to support increased bilateral ties between the

two countries and has been especially active building awareness of Ukraine's strategic economic importance among Members of Congress. Since political protests broke out across Ukraine in late 2013, Pasternak has worked to personally inform and educate Members of Congress about the geostrategic importance of Ukraine to European and US security.

In late February 2014, during the final hours of the Yanukovych Presidency, Pasternak travelled to Kyiv for diplomatic reasons in response to the outbreak of violence that had started less than 48 hours earlier, and to support peaceful transitions amid the rapid changes now taking place across Ukraine.

Pasternak is an arms dealer. He has sold arms in places like Syria

Schiff was reportedly scheduled to be in the Ukraine just last month with the Atlantic Counsel
